

LEARN.

UNDERSTAND.

DECIDE.

We've come a long way since COVID-19 threatened our health and disrupted our lives. As we move forward, we have a shot for a healthier tomorrow—but many of us still have questions. The COVID-19 vaccine and booster help your immune system defend itself without using the virus or risking an infection of the disease.

Getting vaccinated protects yourself, your kids and others, and is an important decision to help end COVID. **TOGETHER.**
