

Small Rural Hospital Improvement Program (SHIP)
Health Resources and Services Administration, Federal Office of Rural Health Policy
FY 2021 Noncompeting Continuation (NCC) Progress Report
Instructions for Submission

Funding Announcement Number: 5-H3H-21-001
Available in EHB: December 14, 2020
Due Date: February 23, 2021
Reporting Period: June 1, 2020- May 31, 2021

Background

The Non-Competing Continuation (NCC) Progress Report is the Health Resources and Services Administration's (HRSA) mechanism for renewing your budget period and releasing funding for your ongoing award. The NCC is designed to solicit program and budgetary related progress for the current reporting period (**June 1, 2020- May 31, 2021**) and to describe program activities for the upcoming reporting period (**June 1, 2021- May 31, 2022**) related to your **Small Rural Hospital Improvement Program (SHIP)** grant.

The purpose of **SHIP** is to assist small rural hospitals with their quality improvement (QI) efforts and with their adaptation to changing payment systems through investments in hardware, software, and related trainings.

The continuation of grant funding is based on compliance with applicable statutory and regulatory requirements, demonstrated organizational capacity to accomplish the project's goals, adequate justification for all projected costs, availability of appropriated funds, and a determination that continued funding would be in the best interest of the Government. Inadequate justification and/or progress may result in the reduction of approved funding levels.

The NCC is **not** a vehicle to request changes in scope or re-budgeting of your HRSA-approved SHIP project. If significant changes in scope or budgeting are necessary, grantees should request a prior approval separately through EHBs, after discussing proposed changes with your HRSA Federal Office of Rural Health Policy (FORHP) Project Officer and as specified in your Notice of Award (NOA). This report is intended to cover **SHIP** activities **only** and should not include reporting on other HRSA funded programs (i.e. Medicare Rural Hospital Flexibility Program, State Offices of Rural Health, or Primary Care Office) unless the activity specifically relates to the SHIP Program.

Performance Narrative Instructions

The purpose of the **Performance Narrative** is to provide a comprehensive overview of the project and to provide documentation of project activities and accomplishments during the FY 2020 budget period, as well as to document planned activities for the upcoming FY 2021 budget period.

Your SHIP **Performance Narrative** must be uploaded as one attachment (word or pdf) in the “Program Specific Information” section of the NCC Progress Report. The attachment should be no more than 12 pages and must be clearly labeled with your organization’s name, HRSA award number, and Primary Contact Name.

1) High-Level Summary of your SHIP Program

Provide a short high-level summary (2-3 paragraphs) on the progress of your grant’s activities during the **FY 2020 budget period**. You may highlight achievements, challenges, outcomes, strategies, and/or best practices related to your SHIP program. If feasible, highlight examples of the impact your SHIP program has had on increasing hospitals’, network, staff, and/or leadership capacities. This question is an opportunity for grantees to reflect on their program’s activities and impact in a succinct manner.

2) Noteworthy Accomplishment

Describe your biggest accomplishment during the **FY 2020 budget period**. Briefly describe the accomplishment, program objectives and any related progress/process measures and outcomes/impact. This could be something that you started prior to the FY 2020 year, but for which the outcome/impact occurred since your last NCC submission.

3) Staffing Plan and Personnel Requirements

List **ALL** staff members (current and past) working on your SHIP grant during the **FY 2020 budget period**. Include the position title, staff name, start and end date (if applicable), annual salary, amount paid from SHIP award, and percent FTE. If SHIP staff is currently an FTE/salary on any other HRSA grants including Flex or SORH, include program name and corresponding FTE. If any staffing changes have occurred during the FY 2020 budget period or are expected in the upcoming budget period please indicate this change.

Note: Amount of grant funds used for salary including benefits (if applicable). Full Time Equivalent (FTE) of staff involvement on the project [e.g., 1 FTE= 40-hour work week; .50 FTE=20 hours per week].

4) Significant Challenges, Unresolved Issues or Deviations

Describe any significant challenges or unresolved issues related to your project during the **FY 2020 budget period** including those that have prevented the completion of work plan activities. If these challenges required a deviation from previously approved work plan, briefly describe changes made (e.g., activities, investments, timeline, goals, objectives, measures etc.) during the FY 2020 budget period.

5) Monitoring

Briefly discuss your SHIP program’s hospital monitoring and evaluation strategies to identify hospitals at risk for non-compliance and how do you address non-compliance (no more than 1-2 paragraphs).

Note: If you use a Monitoring and Evaluation template, please include in the Attachment 7 under “Other Relevant Documents”.

6) Deviation due to hospital forfeiture of FY20 Award

During the **FY 2020 budget period**, did any hospitals forfeit their SHIP award after the awards were made in May 2020? If so, include the following:

- Name & location of hospital, reason for forfeiture (e.g., hospital no longer eligible, hospital closed, eligible but opted not to participate).
- SHIP Coordinator Actions: briefly describe follow-up and outcomes.
- Indicate if the hospital(s) participating the upcoming FY 2021 budget period

7) FY 2021 Work Plan

Discuss any anticipated programmatic or work plan changes, anticipated challenges/barriers for the upcoming grant year **FY 2021 budget period (June 1, 2021– May 31, 2022)**.

<https://www.ruralcenter.org/ship/ta/grant-guidance>.

Attachment #5: Special Innovations Project (SIP) Update

The following questions are required for grantees implementing SIP. There is no required template or format for these questions, you may submit dashboards, summary reports, etc., as appropriate. Please address the following:

- Based on your project's goals and objectives, provide a Year 2 progress report of your SIP. The report should include the following:
 - Baseline - Year 2 data on your SIP measures (measures should align with SHIP purpose and outcomes)
 - SIP strategies applied/ will apply to encourage sustainability and leverage funds from SHIP investment for a bigger impact.
- Describe (if any) changes made or required in the upcoming year related to your SIP.

Attachment #6: Rural Stakeholders COVID Response (optional)

FORHP is collecting information and feedback from our rural stakeholders to help us identify how COVID-19 is affecting rural communities. We need your help to understand the picture as it unfolds across the country, and how this picture might vary from place to place. In particular, we're hoping you can share any challenges, successes, or innovative strategies taking place in rural areas to address treating or preparing to treat COVID-19 patients. Your feedback is **optional** and your response will help FORHP understand how rural health care stakeholder and communities are responding to the COVID-19 pandemic. Upload your responses as a word document as a word document.

- Your community has been through a lot during the last six months. Were there any innovations or adoptions as a result of responding to COVID-19?
- What is 'keeping you up at night'? Biggest concern about the future of rural America after rebound and after COVID 19? Are there any policy issues you are facing that you would like our FORHP to know about?

Attachment #7: Other Relevant Documents

Upload any relevant documents and information (e.g., new or revised supplementary information such as memorandums of understanding, letters of commitment or support letters, monitoring and evaluation plan, etc.).

General Federal Reporting Requirements

Prior budget period Federal Financial Report (FFR) submitted through HRSA EHBs

FFRs are due electronically in HRSA EHBs **no later than October 30, 2022 (for the FY 2021 budget year)**. While it is an expectation that all funds are used within the year they are awarded, if you anticipate that there will be an unobligated balance (UOB) of funds at the completion of the current budget period and that these funds will be needed to complete the activities of the project objectives, you must request prior approval to use the UOB as carryover for your project in the new budget period. You may do so by submitting a Prior Approval request through HRSA EHBs within 30 days of the electronic FFR submission. The request to use the UOB shall include an explanation of why the funds were not spent, why the carryover is needed, a detailed budget justification and SF424A. The prior approval is subject to review by grants management and the program office for appropriate modification of the UOB. Only activities listed in the FY 2020 work plan are eligible for carryover into FY 2021 budget period.

Reminder: Changes in scope, key personnel and significant re-budgeting must be submitted through the EHB Prior Approval Module, and are not to be included as part of the Request for Use of Unobligated Funds)
