- Ability to engage leaders and effectively communicate via various modes of communications
- Ability to work with groups including facilitation and presentation required
- Ability to organize and prioritize duties to effectively manage activities
- Team player with strong commitment to performance improvement
- High degree of proficiency in Microsoft Office and SharePoint Products
- Display an openness towards innovative solutions and approaches
- Outstanding training, facilitation and presentation skills

Work Environment

Employees at The Center enjoy a casual, friendly, supportive work environment focused on important, mission driven work.

The Center has offices located in the Historic Canal Park neighborhood of Duluth, MN on the shores of Lake Superior, just feet from the iconic Aerial Lift Bridge. The Center promotes a healthy workplace culture by providing a satisfying work/life balance and focusing on a holistic approach to employee well-being.

The Program Specialist will work primarily in an office setting either on site at the Duluth office location or in a home office environment in southern states, with preference in the Mississippi [Delta Region](#).

Additionally, some overnight travel will be expected to various locations through the United States.

The Center hours of operation are 8:00 a.m. to 4:30 p.m. Central, Monday through Friday; however, personal work hours may vary.

Physical Abilities

Commonly associated with the performance of the functions of this job. The physical demands described below are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform essential functions.

- Prolonged periods sitting at a desk and working on a computer.
- Must be able to lift up to 35 pounds at times.
