

# Wyoming Department of Health

## Engaging Stakeholders

- Survey CEOs, CFOs, QI Coordinators
- Stakeholder meeting after grant guidance released
  - This includes, CEOs, CFOs, QIO, Hospital Association, EMS, consultants, and ORH
  - Facilitated meeting to discuss survey findings; review current year activities; brainstorm funding activities for next grant cycle; vote on activities

# Office of Rural Health

- Monthly group meeting: consultant, Wyoming Critical Access Hospital Network (WCAHN), QIO, EMS, ORH
- Monthly one-to-one with all but QIO
- Bi-monthly meetings with QHi users
  - This year will focus more one-to-one with QHi users and tailor assistance specific to each hospital
- WCAHN updates website for stakeholders

# Office of Rural Health

## Tracking

- Statement of Work to outline all activities and timeline of deliverables; report back - what kind of impact did your CAH experience (an X% increase in X activity within X months)
- Gantt chart timelines for ORH activities and contractor's activities
- Tracking spreadsheet of payments to contractors per Statement of Work - task specific
- This year implementing a fiscal tracking sheet to coincide with the WOLFS budget reports (WY specific)

Commit to your health.
