

The purpose of a TA Plan is to make it easier for you to access technical assistance for your network Rural Network Allied Health Training Program grant project. This TA Plan document includes a listing of available TA opportunities and a calendar of technical assistance that your Network TA Team (RHI) will be delivering through your final program year.

The Network TA team is available by phone, 218-216-7033, or email, networkTA@ruralcenter.org; please feel free to reach out to us at any time. Plus, check out our [Allied Health Network TA webpage](#) that we keep up-to-date with upcoming TA and newly posted resources.

What TA is available to you?

- **Check-In Calls** – Your assigned TA Team member will host five 1:1 TA Check-In Calls during this final year of your grant; talking with you about your project, getting updates on successes and struggles, and providing opportunity for questions and feedback.
- **Direct Technical Assistance** – Our goal is to help you succeed with your grant goals and the Network TA Team invites you to reach out to us via phone or email with your questions and ideas.
- **Networking News** – A [newsletter](#) will be delivered via email to you including selected resources we think will be helpful to your work as network leaders, updates from your Project Officers, a [Network Spotlight](#) that highlights the work of one of your peers and a [Networking Article](#) written by a knowledgeable network leader.
- **Peer Group Calls** - Small group conversations to support relationship building and peer learning.
- **Reverse Site Visits and TA Site Visits:** Available through selection processes as the number of visits each year is limited. Contact your Network TA team if you are interested in participating.
- **Webinars** – Education and resources delivered using a combination of a phone conference line and Adobe Connect.
- **Website** – The National Rural Health Resource Center and Rural Health Innovations websites provide useful resources for your program. Visit our [website](#).

Resources: Aim for Sustainability

We have many resources available within our website [Resource Library](#) as well as our “[Aim for Sustainability Portal](#)”. As specific questions arise, please reach out to your Network TA team member and we will do our best to support your Allied Health network work.
