

Emergency Department Transfer Communication

- * 1. Chose a contractor who will be responsive to the hospitals needs.
- * 2. Engage Administration, ED Director and Quality Director in initial plan
- * 3. CAHs need constant reminders!!
- * 4. Successful reporting in one area can lead to lack of reporting in another area

* Lessons Learned

- * 1. All MBQIP, including EDTC, information is sent to Quality Directors and Administrators
- * 2. Hold regional meetings with quality staff. Meetings are held yearly, short and informal.
- * 3. MBQIP update, including EDTC, presented at CAH Administrators Meetings held in March and September.
- * 4. Yearly CAH Quality Workshop

* EDTC Information
