The Center's Purpose

The National Rural Health Resource Center (The Center) is a nonprofit organization dedicated to sustaining and improving health care in rural communities. As the nation's leading technical assistance and knowledge center in rural health, The Center focuses on five core areas:

- Performance Improvement
- Health Information Technology
- Recruitment & Retention
- Community Health Assessments
- Networking

Objectives

- Learn key strategies to engage CAHs in a cultural change towards population health
- Encounter CAH best practice examples of population health initiatives incorporated into CAH operations
