PRIOR APPROVAL REQUEST TO CARRYOVER UNOBLIGATED FUNDS

DEFINITION
A Carryover is the process by which unobligated funds remaining at the end of a budget period may be carried forward to the next budget period to cover allowable costs in that budget period. The carryover of funds enables grantees to use unexpended prior year grant funds in the current budget period.

- Carryover funds must be used for unmet project needs supporting the approved goals and objectives of the grant program.
- Carryover is not intended to solely spend down the unobligated funds.
- All carryover request must be submitted through EHB as a Prior Approval (PA) Request to Carryover Funds.

WHAT TO INCLUDE IN A PA REQUEST TO CARRYOVER FUNDS?

1. **Cover Letter**
   On your organizational letterhead, signed by project director or authorized official, include the following:

CARRY-OVER REQUEST FAQs

Question: What is a FFR and how does it relate to carryover?
Answer: The Federal Financial Report (FFR) is a cumulative report for all expenditures that grantees must submit on an annual basis through EHB by the grant's financial official or other designee determined by recipient. You must submit your FFR before you can create a PA to carryover funds.

Question: When should I submit a PA to carryover funds?
Answer: Within 30 days after the FFR due date.

Question: If I submit a prior approval request to carryover funds, when will the funds be available for use?
Answer: Carryover funds should not be expended until prior approval is approved and upon receipt of a new Notice of Award (NoA) granting approval of carryover request.

Things to Know about FFR!!

- FFR is also called SF-425 and due within 90 days of the end of each budget period.ChiClick here for HRSA FFR Submission Schedule.
- FFRs that are returned to grantees for changes must be resubmitted to be considered complete. It is the grantee's responsibility to follow up on change request throughout this process.
- Access to the FFR must be approved by the Financial Reporting Administrator (FRA) or user with administrative FFR privileges. By default, the Project Director will not have access to the FFR.

Unless an on-screen confirmation message stating that the request has been successfully submitted to HRSA, it is still in the Editing Phase and not available to HRSA for review.
