## TASC Population Health Learning Collaborative: Telehealth and Mobile Health

1. Do the hospitals in your state currently have Telehealth programs? If so, how many and how are they used?
2. Do the hospitals in your state currently use Remote Patient Monitoring to support chronic care management (CCM) efforts?
3. Does your state reimburse for Store & Forward and for services to the home?
4. Does your state have a private payer parity?
5. Describe your hospitals' quality improvement programs.
6. Has your state joined the Interstate Medical License Compact?
7. Are any of your hospitals located in a health professional shortage area (HPSA)?
