# Organizational/Project Profile

Organizational/Project Profile		
<b>Network Name:</b> Center States Rural Health Network		
<b>Project Name:</b> Collaborative Approaches to Chronic Disease		
<b>Vision:</b> We want to be an indispensable solution for our members		<b>Mission:</b> Improve the health and wellness of our communities
Strategic Thinking		
<b>Environmental Analysis:</b> Our region has a rich history of independence and self-sufficiency. In the past few decades, rates of obesity and chronic illness have been increasing. The number of primary care providers has remained relatively stable, although access to specialists is limited. Many young families are moving into the region with the goal of raising their children in our scenic, quiet area with many options for exploring the outdoors. Network members work very well together and have a unified vision for the future of the community.		<b>Project Goals:</b> <ul style="list-style-type: none"> <li>• Decrease the impact of chronic disease within our communities</li> <li>• Increase health literacy in the community</li> </ul>
<b>Blocks:</b> <ul style="list-style-type: none"> <li>• Providers and support staff have limited familiarity with coordinated care</li> <li>• Low health literacy among older population</li> <li>• Inadequate access to healthy food options</li> </ul>	<b>Levers:</b> <ul style="list-style-type: none"> <li>• Lots of energy within the community around wellness</li> <li>• Providers have strong, long-lasting relationships with their patients</li> <li>• Many social service resources in the community</li> </ul>	<b>Strategic Objectives:</b> <ul style="list-style-type: none"> <li>• Increase collaboration within the network</li> <li>• Improve clinical results</li> <li>• Increase knowledge of chronic disease management within the region</li> </ul>

<ul style="list-style-type: none"> <li>• Mental health stigma</li> <li>• Newly formed network still working to understand how partners can best work together</li> <li>• Demands on providers' time make it difficult to leave the area for continuing medical education</li> </ul>	<ul style="list-style-type: none"> <li>• Network members have a unified vision</li> <li>• Strong culture of self-sufficiency</li> <li>• Rural health receiving attention at the national level</li> </ul>	
<h2 style="background-color: #e0f2f1; padding: 5px;">Marketing Thinking</h2>		
<p><b>Members and Customers:</b> Three critical access hospitals, two rural health clinics, behavioral health clinic, county public health departments, housing agency, food bank, regional transportation provider</p>	<p><b>Target Markets:</b></p> <ol style="list-style-type: none"> <li>1. Health care organization members: Executive leaders, department directors, managers and clinical provider leadership, and front-line care professionals</li> <li>2. Community social service organization members: Executive leaders, program managers, social service professionals, and volunteers</li> </ol>	
<p><b>Member Needs:</b></p> <ul style="list-style-type: none"> <li>• Provider and staff education</li> <li>• Increased patient health literacy</li> <li>• Reduced unnecessary ED visits and hospital readmissions</li> <li>• Widespread use of chronic disease management best practices</li> <li>• Improved health outcomes (particularly A1C levels)</li> </ul>	<p><b>Competitors:</b> Specialists outside the region Online education programs Regional public university</p>	
<p><b>Marketing Goals:</b></p> <ul style="list-style-type: none"> <li>• Generate 90 registrations for conference</li> <li>• Increase awareness of Center States Health Network mission and available resources</li> <li>• Four member "subscribers" to patient education package</li> </ul>	<p><b>Products and Services:</b></p> <ol style="list-style-type: none"> <li>1. Annual health-oriented educational conference that includes a 10-county region</li> <li>2. Patient education package (written and electronic content, in-person education and support groups) available to subscribing partners</li> </ol>	

**Key Message(s):**

- Low cost and high-value education by sharing the expense
- Learning about best practices for key health issues that we can use here within our communities
- Reduce avoidable hospital and ER admissions by working together
- Help patients and community members be active and well and improve health outcomes
- Learn how to increase patient self-management and reduce ED visits

## Operational Review

**Leadership Skills:**

Project management, adult education, health care reimbursement understanding, building collaborative relationships, clinical and social services background, thorough understanding of local history and culture

**Key Initiatives:**

- Develop conference planning procedures and decision-making structure
- Develop speaker agreement templates
- Design conference format and agenda
- Select speakers
- Pre-conference communication and promotion activities
- Conference evaluation
- Develop evidence-based patient educational content
- Create educational materials development timeline
- Build website for patient education and resources

**Desired Experience and Relationship:**
